1 November 2020

Hello everyone

No doubt many of you are aware that the Prime Minister has announced a new month-long lockdown from Thursday, 5th November.

I am pleased to confirm that Uley Under 5s Playgroup will be open as usual for all sessions, and that we will continue to implement the measures already explained in our Operating Procedures and Risk Assessment. However, it would be appreciated if parents/carers could wear a face mask when dropping off or picking up children.

Please email Nicola if you decide to withdraw your child during the lockdown and advise of the reason for your decision (i.e. shielding vulnerable family members, do not agree with children attending during the lockdown, etc.). We will probably be asked to provide this information to the local authority in order to monitor attendance as we did during the last lockdown. Your child's place will be held until she or he is able to return.

With best regards
Nicola and Michele.
